

**MOCKINGBIRD (something to say...)**

***Hush little baby don't say a word  
Mama's gonna buy you a mockingbird  
And if that mockingbird don't sing  
Papa's gonna buy you a diamond ring  
And if that diamond ring don't fit  
Mama's gonna buy you a drum kit  
And you know those drums will play just fine  
But if you need some sticks well you can borrow some of mine  
(chorus)***

***So play little baby play all day  
And you can sing a song if you've got something to say  
Play little baby play all day  
And you can sing a song if you've got something to say***

***And papa can't wait to see the look on your face  
When he buys you a bass  
And if your fingers feel the flow  
Mama's gonna buy you a piano  
(chorus)***

***And now that you have come this far  
Papa's gonna buy you a brand new guitar  
(chorus)  
If you've got something to say***

**WHY WOULD YOU TAKE A ROCKETSHIP?**

***Why would you take a rocketship?  
When you could just blink and be there  
Unless you're attached to counting down  
from 10, 9, 8, 7, 6, 5, 4321***

***It's always a BLAST  
when you get to zero  
Fly to the sky like a superhero  
zoom zoom zoom zoom zoom  
And we're in space***

***And now  
The earth looks like a little speck  
And our troubles seem so small and far away***

***And when we return back home  
With a new perspective  
We could see we're  
Just one collective***

***Why would you take a submarine  
When you could just swim with the fishies  
Unless you're attached to swimming by yourself***

***It's always a SPLASH of exhilaration  
To dive in the ocean of imagination  
Swimming up stream away from shore  
And now***

***The earth looks like a little speck  
And our troubles seem so small and far away***

***And when we return back home  
With a new perspective  
We could see we're  
Just one collective  
one collective  
one collective***

***And it all flows back  
one collective (x3)....  
and it all flows back  
it all flows back  
it all flows back to the ocean***

**MUSIC IS LIKE OXYGEN**

*I've got to get some exercise exercise exercise  
I've got to get some exercise, exercise to breathe  
We all need exercise to breathe  
A little bit of exercise to breathe  
And breathing is like listening listening listening  
Breathing is like listening so listen to a little music  
listen to a little music*

*Music is like oxygen oxygen oxygen  
Music is like oxygen  
Oxygen to me  
And we all need oxygen to breathe  
We all need oxygen to breathe*

*So breathe it in, every chance you get  
Coz if there wasn't music you might get a bit upset  
Music isn't such a bad addiction  
Like following your heart not superstition  
Breathe, breathe, exercise (x3)  
And listen to a little music  
Listen to a little music  
Breathing, listening  
Breathing, listening  
Breathing, listening  
The messages are in the music  
So listen to a little music  
Music is like oxygen, oxygen, oxygen  
Music is like oxygen  
Oxygen to breathe  
And we all need oxygen to breathe  
We all need oxygen to breathe*

*So breathe it in, every chance you get  
Coz if there wasn't music you might get a bit upset.  
Music isn't such a bad attraction  
A healthy blend of love and satisfaction  
So breathe it in  
Every chance you get  
Coz if there wasn't music you might get a bit upset*

***Don't forget to breathe!***

**WHY I LOVE THE SEASONS**

*Did anybody tell you?  
Did anybody tell you?  
Did anybody tell you?  
To finish what you start*

*To finish what you start  
To finish what you start  
To finish what you start*

*That's why I love the seasons  
That's why I love the seasons  
You gotta love the seasons  
They finish what they start*

*They finish what they start  
They finish what they start  
They finish what they start*

*Going in a circle  
Moving in a cycle  
And as one starts  
another ends.*

*But as one is over  
Another one begins  
And as one ends  
Another one starts  
They finish what they start x3  
So finish what you start  
Finish what you start  
To finish what you start  
Summer autumn winter spring x4  
They finishing what they start...  
And it goes back to the beginning.*

Fruits or Vegetables

*If you were a farmer  
What would you plant?  
Coz if I was a farmer  
I'd go off on a rant  
Radishes and cabbages  
Asparagus and collard greens  
Cauliflower turnips and beets  
Carrots and peas  
Broccoli tomato avocado spring onion  
zucchini  
And it doesn't really make a bit of difference  
If they're fruits or vegetables  
And you could think I'm nuts!!!  
I say lee-chee nut  
you say lie-chee nut  
But we both agree they're sweet and tasty  
Well fruits have seeds and vegetables don't  
But if you think you'd care when you get hungry well you wont  
Coz anyway you slice it,  
Food is food  
If you owned a restaurant  
What would you serve?  
Fruit of the day? (tomato, cucumber)  
You wouldn't have the nerve!  
If you want to get technical  
About a fruit or vegetable  
Lets go to the root of the cause  
sweet potato, red potato,  
Ginger root and daikon root  
But daikon is a radish which some  
Think is a vegetable  
(But it's not!)  
And it doesn't really make a bit of difference  
If they're roots or vegetables  
And you could think I'm nuts!!!  
I say lee-chee nut  
you say lie-chee nut  
But we both agree they're sweet and tasty  
Well fruits have seeds and vegetables don't  
But if you think you'd care when you get hungry well you wont  
Coz anyway you slice it,  
food is ...  
I don't mean to go against the grain...  
But anyway you slice it...  
Food is food.*

**HUMPTY TOGETHER AGAIN**

*Humpty Dumpty sat on a wall,  
Humpty Dumpty, had a great fall...  
All the king's horses and all the king's men,  
Couldn't put, humpty together again  
Humpty together again  
Put humpty together again  
Oh lets all put humpty together again  
Puttin humpty together again  
Puttin humpty together again, together again.  
Well, Humpty Dumpty  
made a mistake,  
He fell down, but don't let you heart break...  
Just think.*

*If all the kids voices were considered kings men  
Then all of us could put humpty together again.  
Humpty together again  
Put humpty together again  
Oh lets all put humpty together again  
Puttin humpty together again  
Puttin humpty together again  
together again.  
(instrumental)  
Just think!*

*If all the kids voices were considered kings men  
Then all of us could put humpty together again.  
Humpty together again  
Put humpty together again  
Oh lets all put humpty together again  
Puttin humpty together again  
Puttin humpty together again  
Humanity (together again)  
Humanity (together again)  
Lets all put Humanity together again  
Puttin humpty together  
Puttin humpty together again  
All of us (together again)  
All of us (together again)  
Let's all put humanity together again  
Puttin humpty together again  
Puttin humpty together again  
Together again*

**SILENCE IS ALL THE MUSIC I NEED**

***When it's time to go to sleep,  
We count sheep, sometimes that helps  
And sometimes it doesn't  
So let's just count sheep and hopefully we won't get interrupted by annoying sounds***

***Ready here we go***

***1, just ignore the dog barkin'***

***2, shshshs ignore the fan***

***3, I think I just heard a mosquito***

***4, someone slammed a door...***

***I've been wrapping my head around the idea  
Of getting some shut eye,  
but I can't, oh I can't, no I can't, no I can't sleep a wink  
No I can't, I just can't sleep, so I count sheep.***

***Coz I can't sleep***

***So I count...***

***5, the clock is ticking***

***6, the dog just barked again, twice***

***7, still no slumber heaven***

***8, wait my stomach just growled I got a little bit hungry.***

***I've been tossing and turning for hours, trying to get some rest,  
But I can't, no I can't, oh I can't, no I can't sleep a wink.  
No I can't, I just can't sleep, so I count sheep.***

***9, alright, who brought the tiger.***

***10, Never mind it's just the cat, even though I don't have a cat***

***11, Still no slumber heaven***

***12, forget it, I'll just get a midnight snack.***

***Well some people say, I've even heard them sing it, everything is music to me,  
but when I'm trying to get some rest, trying to get some sleep.***

***Trying to get some shuteye catch some zzz's,***

***silence, is all the music I need.***

***Silence, is all the music I need***

***Silence is all the music I need.***

***All the music I need silence***

***All the music I need silence***

***Is all the music I need silence.***

<u>Clean It Up</u>	<i>Or a book on a table</i>	<i>Clear your mind</i>
<i>All our lives</i>	<i>Other kids can read</i>	<i>And don't make me say:</i>
<i>We make a mess</i>	<i>Clean it up!</i>	<i>"I told you so..."</i>
<i>then clean it up</i>	<i>Watch your language</i>	<i>Coz all our lives</i>
<i>and make an even bigger one</i>	<i>Watch your mouth!</i>	<i>We make a mess</i>
<i>then wait until someone says</i>	<i>And think before you speak</i>	<i>Make a mess</i>
<i>clean it up!</i>	<i>Or you just might regret it</i>	<i>Clean it up</i>
<i>Check the corners</i>	<i>Coz all our lives</i>	<i>Clean it up</i>
<i>and under the rug</i>	<i>We make a mess</i>	<i>Make a mess</i>
<i>And don't make me say:</i>	<i>Make a mess</i>	<i>Clean it up</i>
<i>"you missed a spot!!!"</i>	<i>Clean it up</i>	<i>but whoops you missed a spot!</i>
<i>All our lives</i>	<i>Clean it up</i>	<i>Clean it up!</i>
<i>We make a mess</i>	<i>Make a mess</i>	<i>Check the corners</i>
<i>Make a mess</i>	<i>Clean it up but whoops you missed a spot!</i>	<i>And under the rug</i>
<i>Clean it up</i>	<i>In your mind (it's all in your head)</i>	<i>And watch your language</i>
<i>Clean it up</i>	<i>Your thoughts are things</i>	<i>Watch your mouth</i>
<i>Make a mess</i>	<i>Like a pile of clothes</i>	<i>And keep your focus</i>
<i>Clean it up</i>	<i>Or a book on a table</i>	<i>And clear your mind</i>
<i>But whoops you missed a spot!</i>	<i>Or a piece of gum stuck underneath your shoe (ewe)</i>	<i>And don't make me say</i>
<i>Coz all you say</i>	<i>Clean it up!</i>	<i>"Whoops you missed a... Whoops you missed a... Whoops you missed a</i>
<i>You put out there</i>	<i>Keep your focus</i>	<i>spot!!!"</i>
<i>Like a pile of clothes</i>

*I'm not trying to sell you stories  
But reminding you they're there  
And you can throw them out or keep them  
But I hope you keep them*

*Cinderella, Snow White, Peter Pan  
(Sleeping Beauty, Rumpelstiltskin, Pinocchio)  
Goldielocks, Alice In Wonderland  
Beauty and the poetry  
Oh if you could see symbolically  
With Imaginationology  
Your mind is the technology  
But only if you believe ...*

*I'm not trying to sell you stories,  
you could pretend like I'm not here  
And you can throw them out  
or keep them  
Sure hope you keep them...  
But only if you believe...  
I believe, only if you believe.  
You believe, only if I believe  
Only if you believe, I believe.*

***I DON'T WANT TO SAY GOODBYE***

***You go your way  
Ye I'll go mine  
You go left  
And I'll go right  
And if it turns out  
We're going in a circle  
I guess that means we'll meet again  
I guess that means we'll meet again  
You go backwards  
I go forward  
You go up  
And I'll go down  
And if it turns out  
We're going in a circle  
I guess that means we'll meet again  
I guess that means we'll meet again I'm sure one day we'll meet again  
But I don't want to say goodbye  
I don't want to say goodbye  
No I don't want to say goodbye  
But it's time to say good.....***

***Bye.***
